

First announcement!  
MARK your calendar!

## **BE Live IT 2009 conference**

The **Be Live IT** conference is dedicated to the applications of **bioinformatics to the Life Sciences industries**.

The conference will take place at the **SAP Lounge, "Tuchthuis", Dewezplein 5 (near Rondeweg) 1800 Vilvoorde**, Brussels, Belgium on **October 20 & 21 2009**.

Do come and join us at this unique pan-European conference in order to exchange valuable experiences and to gain innovative ideas and views on how best to use the bioinformatics tools in your day-to-day R&D activities.

The two previous editions brought together from all over Europe numerous high level researchers, managers and bioinformaticians from the pharma, red, green, white biotechs, agro/agri-food, chemical and cosmetics industries.

### **Registration fee:**

The attendance registration fee is set at Euro 350.

Early birds registration will be Euro 250. The Early birds registration period will end on Sept.15.

For further information (attendance, sponsorship, exhibition booths,...) and on-line registration do visit the conference website [www.beliveit.be](http://www.beliveit.be)

### **Do spread the word around!**

Follow-up announcements with the detailed programme will be issued soon.

We are looking forward to meeting you on that occasion!

Yours sincerely,

Jean-Luc Henrioul
