**SAVE THE DATE !**

The logo for EuroBio 2006 features a large, dark blue, semi-transparent arc that forms a partial circle around the central text. The text 'EuroBio 2006' is written in a bold, dark blue, sans-serif font. The letter 'o' in 'Bio' is replaced by a 3D-rendered blue sphere with a white highlight on its top surface. Below the main title, the dates 'October 25-27' and the location 'Paris' are written in a smaller, dark blue, sans-serif font. To the right of the text, there are three small, solid-colored circles stacked vertically: a green one at the top, a light blue one in the middle, and a red one at the bottom.
